

Delivering across all 5 National Key Indicators

# 1:1 The National Qualification in Leadership & Management in Primary PE CPD Package

**1:1 Tuition, support, mentoring and coaching - empowering YOU to LEAD PE in YOUR school. This programme provides a personalised and bespoke support package to YOU, in YOUR school, for YOUR pupils. This approach is unique to VisionED - The Primary PE Experts!**

Covering every dimension of effective Leadership & Management, the four full days of this intensive programme, spread across an academic year, allow you time to embed best practice, monitor, report, assess and do a deep dive into the quality of PE at YOUR school for YOUR pupils. The outcome for YOU is also a National Qualification in Leadership & Management in Primary PE - Level 4 (RQF).

From developing and establishing your curriculum's intent to support the schools vision and needs of your pupils to devising and implementing a strategy to improve, align and enrich your offer - you'll receive 1:1 support from Martin Radmore, national award winner, course author and former PE adviser with over 27 years' experience in supporting teachers and school staff in primary PE. You'll be challenged to ensure impact and helped to both develop and sustain a high quality experience for ALL pupils in your school. We'll help you ensure compliance with the terms and conditions of the PE and sport premium, the new government 'School Sport and Activity Action Plan' (2019), embed the mandatory Health Education curriculum (2020) and facilitate you to understand the potential of the new Education Inspection Framework (EIF 2019).

Book with confidence, work with experience and passion! The dates are planned around you to meet your schedule and capacity. We come to your school and work with you in-situ to ensure maximum impact whilst also providing the opportunity to link with, talk to other staff, monitor lessons and gain contextual insight to develop your tailored learning programme.

Let us help empower you with our unique CPD programme offering the National Qualification in Leadership & Management in Primary PE.

## Our PE CPD Opportunities for YOUR School, MAT or SSP

### Gymnastics Large Apparatus

Our most popular INSET / Twilight! Many teachers and school staff are anxious about getting out and using gymnastics large apparatus. Let us address these fears and concerns building confidence and competence to ensure high quality curricular gymnastics for all within a consistent framework of teaching and learning, safety and challenge.

### Gymnastics Teaching High Quality Curricular Gymnastics for ALL

Can be delivered as a whole day INSET or a series of 2 Twilights. We help teachers and school staff to understand what we are trying to teach in and through curricular gymnastics; how to build an effective sequence and how to progress this including onto apparatus. Assessment, Planning and Teaching - full set of resources to support delivery.

### Outdoor Adventurous Activities (OAA)

A very popular staff INSET! OAA is perhaps the hidden gem of the PE Curriculum and can help to achieve wider school agendas such as resilience, wellbeing, independence, collaboration, communication and teamwork. Includes Trust, Problem-solving and Orienteering type learning activities all of which can easily be delivered by teachers on their own school site - perfect!

### Bespoke CPD for PE

We are highly experienced at delivering and developing high quality PE. You can contact us directly to discuss the type of continued professional development which you need - from Games to Early Years physical Development, Dance to Athletics. Our work ALWAYS focuses on the learning, engagement and enjoyment of ALL pupils and not just those who are good at sport - we make no apologies for this!

### PE Audits and support for Subject Leaders

Through our extensive experience of supporting those colleagues in the key position of PE Subject Leader we can offer various tailored support packages to assist - from help applying for the afPE Quality Mark to looking at Assessment in your school, risk management and a whole host of other key areas. Get in touch to discuss your needs with Martin Radmore, national award winner and former PE adviser, we're here to help empower YOU!
